**\*Note:**

- (1) If the University /Board gives grading instead of percentage, the equivalent percentage (P) shall be as declared/certified by the Board/University and the certificate/declaration shall be compulsorily attached with the application.
- (2) However, if the Board /University does not declare equivalent percentage in case of 4-point scale, etc. shall be determined from the following formula: Equivalent Percentage " $P=90G/N$ ", where, G is the Overall All Grade Point (OGPA) or Cumulative Grade Point Average (CGPA) obtained and N is the maximum of the grading scale. In the SAUs where the percentage system out of 10 is being followed for OGPA, the per centage shall be taken as OGPA multiplied by 10. In the SAUs, where the grading system of 10 point scale is being followed for OGPA, the percentage will be determined by " $P=10G-7.5$ ".
- (3) If the University does not give an overall percentage/grade point of all years of a degree, then the average of all years/semesters shall be taken for computation of P or G in the above.
- (4) Applicants who had studied under XI<sup>th</sup> Standard shall be marked for the same under the Sr. Secondary (XII) standard.
- (5) Marks will be credited for only one degree at any particular level. For example, applicants having both B.Sc. and B.Tech degrees will be credited for B.Sc. or B.Tech degree, whichever is relevant for the post advertised. Similarly, marks will be credited for only one relevant post-graduation degree (if applicable).
